Quick Start Guide

JR2000 Tablet Time Clock

Let's Setup your Time Clock in 3 Easy Steps

1 Create your uAttend Account

Go to TrackMyTime.com/signup to create your account and follow the signup prompts to set up your account, departments, and employees.

2 Power on your Clock

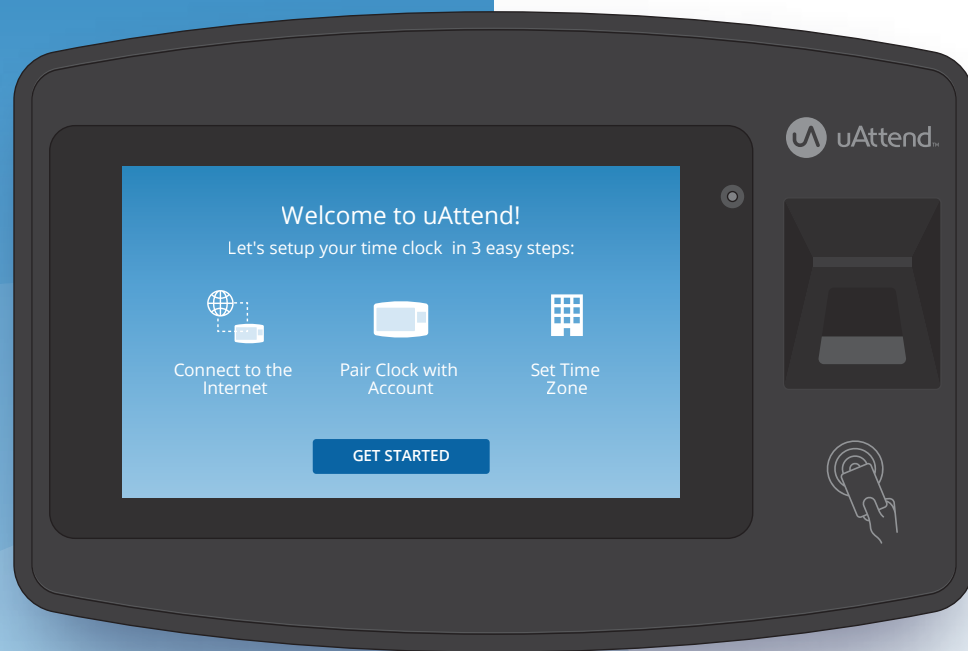

Power the clock on by plugging it in to a power source, and a LAN cable if desired.

3 Connect and Set up your Clock

Follow the easy on-screen instructions to connect to the internet and pair the clock with your uAttend account.

4 Mount and Start Punching

Use the provided mounting hardware to mount the clock if desired. Your JR2000 time clock is now ready to use!

The Most Powerful Workforce Management System... *Without the High Costs*

uAttend Time Clocks require an affordable monthly subscription to utilize its powerful cloud software. No matter how many employees you have, uAttend will save you time, money, and valuable resources by automating everything.

1-9 Employees	10-19 Employees	20-49 Employees	50-99 Employees	100+ Employees
\$20/Mo	\$34/Mo	\$59/Mo	\$94/Mo	\$119/Mo

*Up to two time clocks and one administrator included with monthly subscription fees. Add \$10 per month for each additional time clock and add \$6 per month for each additional administrator. Add \$5 per month for data exported to files other than CSV or Workwell Technologies, Inc.
