Quick Start Guide

RE2000 Biometric Time Clock

Scan this QR Code or go to
support.trackmytime.com for
more help setting up your account.

Let's Set Up your Time Clock in 4 Easy Steps

- 1 Create Your uAttend Account**
Go to TrackMyTime.com/signup to create your account and follow the Setup Wizard to add your departments, employees, and rules.
- 2 Power on Your Clock**
Power the clock on by plugging it into a power source.
- 3 Connect and Set up Your Clock**
Follow the easy on-screen instructions to connect to the internet and pair the clock with your uAttend account.
- 4 Mount and Start Punching**
Use the provided materials to mount your clock to the wall. You're now ready to start punching.

The Most Powerful Workforce Management System... *Without the High Costs*

Every uAttend time clock requires an affordable cloud subscription that's tiered in pricing to give you the most flexible and competitive cost. Whether you have 3 or 300 employees, uAttend always remains affordable even as your business scales. See uattend.com for details.
